

POSTBIOTIC BARRIER BALM

Balance Your Beauty Biome

BIOME

BARRIER

BALANCE

Postbiotic Barrier Balm is a luxurious cream-to-balm that supports your skin's moisture barrier and locks in hydration—all powered by postbiotics.

USANA's award-winning scientists have formulated Celavive skincare with ingredients clinically studied and tested for optimal efficacy. Activate your skins' potential and help support healthy skin ageing to feel your ultimate skin confidence.

FEATURED INGREDIENTS

Lactobacillus Ferment—postbiotic to target the appearance of dry skin and replenish your skin moisture barrier.

Cupuacu Butter—rich antioxidant emollient for locked-in moisture and bounce for a smooth, supple complexion.

Olivol Botanical Blend (olive fruit extract, watermelon rind (*Citrullus lanatus*), lentil (*Lens esculenta*), and apple (*Pyrus malus*) fruit extracts)—our unique blend of botanicals delivers 24 hours of hydration and restores a radiant glow.

Don't let dull skin diminish your confidence. Choose skincare products with clinically studied ingredients to find your way back to a soothed, hydrated, and glowing complexion.

Postbiotic Barrier Balm acts like a second skin to lock in moisture. Its rich, creamy texture gently melts into a balm-like finish—with no greasy feel, harsh chemicals, or pore-clogging ingredients.

REAL-LIFE BENEFITS

Skin Health

- Supports and replenishes your skin's moisture barrier
- Hydrates even the driest, most sensitive skin
- Visibly balances the skin's appearance with microbiome-friendly ingredients
- Postbiotics lock in moisture and defend against environmental irritants

Celavive Clean

Free of harsh chemicals, fragrance, parabens, formaldehydes, phenoxyethanol, mineral oil, phthalates, hydroquinone, sulfates, and other unwanted ingredients. Each product is tested for safety and sensitivity and reviewed by a board-certified dermatologist. This product is vegan and cruelty-free.
